We're up in the air over you, baby! And you'll feel featherlight when you're fashion-right in these snug, smooth, really wearable ski togs.

Ski garb doesn't change much, it just gets better and better. Leaping to the fore with a look of the '70's are these fitted and flared bells, gracefully meeting your boot-tops.

Here's vested interest...nothing can replace the turtle for warmth, but don't you love the just-right look of an added sweater-vest? (Shown here in a brilliant red, the better to watch you schuss, my dear.) Over all, to check wind and weather, a draw white parka, furred and hooded.

Gentlemen who prefer blondes vote raves for the sleek look in pastels, too. Slim, trim pants for the slopes, teamed with diagonally-striped sweater in matching shades for apres-ski.

He said that there is another type of homemaker who does not want to coordinate cookware strictly with kitchen style and mood. She will turn to paterns like new Savoryware that flatter and complement any kitchen design. By Bob Helermans Notre Dame met its most important weekend of basker-bell with the confidence of charm pions as the Dors downed two more Suburban Catholic Conference foes to run its umbeaten string to 16. The Benet game was contested in Niles, and on paper, the visitors did not seem to have the strength to match the big Green despite the absence of starting ND guard Byron King who is sidelined with an ankle injury.

BUT INSTEAD of trying to manche the Don mapopeer, Beest choose a make designed to the control of the control of

By the time the initial horn had sounded, only 18 points had been scored in the game, and ND held an 11-7 lead. In the second period co-captain Kevin Kachan began to score with consistency in the deliberate game and led the Dons to a 21-15 halftime edge.

A 21-13 natiture edge.

IT WAS only in the final fames that the offense opened up a bit, but ND was just too strong for its conference rivals in all departments.

The Saturday affair was contested in the big Marmion gym Aurora and was billed as the most important game of catholic record second only to that of Notre Dame as the Cadess suffered by one loss, and held close on the heels of the undefensed conference lead.

Concerning the modern lib-eral, religious spirit, Knott said that "it is contrary to right worship. The modern religious spirit is to be liberal, telling others to worship any way they want. Jehovah's Witnessex, though, have continued to up-hold true worship and refuse to share in idolatry and pagan re-ligious acts."
